

# Pontignano Meeting 2003

The Doctorate Students' Meeting at the [Certosa di Pontignano](#), which takes place every year at the end of June or in July, is one of the most important appointments for Siena Doctorate students.

In this occasion, students are asked to give a seminar to present the results of their research in front of their colleagues and the faculty. It is an invaluable occasion of scientific exchange and acquaintance for the community of Siena Doctorate of Economics.
